

JUDICIAL SETTLEMENT CONFERENCE GOING AHEAD

ON AUGUST 17- 19, 2011

The Parties in the action Spookw v. Gitxsan Treaty Society, B.C. and Canada will appear before a Judge of the Supreme Court to have the Judge assist in finding ways to settle the dispute without continuing to trial which is scheduled for January 2012 in Smithers, B.C..

Events to date:

- The Judge asked the Plaintiffs and Defendants (GTS, Canada and BC) to submit written briefs which outline the facts which caused legal action to start, as well as documents used as evidence, and explained the law being relied on. The purpose of the briefs is to provide the Judge with documents to review before the Settlement Conference to better understand the dispute.
- **July 22 2011** .- Lawyers for the Plaintiff Chiefs and Bands submitted a 100 page brief to the Judge explaining our evidence on oppression by GTS and its failure to comply with GTS bylaws. They also provided evidence and statements on why the Plaintiffs say the Governments have not acted honourably in their treaty negotiations with GTS.
- **July 22, 2011** . - the Gitxsan Treaty Society filed documents seeking to have the Court dismiss the Plaintiffs court action against GTS on the grounds that the Plaintiffs do not have "standing"; that is as the Plaintiffs are not members of GTS therefore have no right to ask for remedies such as shutting GTS down. The Plaintiffs will oppose this and expect to have this motion heard this fall.
- **August 5, 2011.** The Defendants submitted their Settlement Briefs to the Judge.
- **August 17, 2011:** The Judicial Settlement Conference will Begin at 10:00 am. All Gitxsan are welcome to attend to observe the judicial settlement conference on August 17th i. and on, August 19th. The Judge has ordered that only the Plaintiffs are to participate on the second day.
